

REMARKS

Claim 1 has been canceled and new claims 2-21 have been added to more fully claim Applicant's invention. Applicant has made parallel changes to the title and abstract. Applicant also is correcting informalities in the portion of the specification that included priority claim information, the need for which was just noted by Applicant's attorney and any delay in submitting was unintentional.

I declare that all statements made herein of my knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the reissue application or any patent issued thereon.

If there are any questions regarding the foregoing, Applicant's attorney requests an opportunity to discuss such matters with the Examiner by way of a telephone interview.

Please charge any additional fees due, or credit any overpayment, to Deposit Account No. 50-0251.

No new matter has been added.

Respectfully submitted,

Alan R. Loudermilk
